Message from the Principal

Remembrance Day, November 11th is a day on which we all take time to honour those who have sacrificed their lives to defend the rights of all people to be free. On November 10th, an assembly will take place for all students at 10:15am to help our students recognize the importance of this day in the lives of all Canadians. Parents are welcome to attend. For a small donation, students will receive a poppy in support of the Royal Canadian Legion.

Lest We Forget.

Progress Reports (Kindergarten to Grade 8) and Parent-Teacher Interviews

On November 9th, your child will bring home an Elementary Progress Report. Although it looks much like the Report Card, the Progress Report has a very different intent. The purpose is to share early and specific feedback on your child's development of work habits and learning skills as well as progress towards achieving the curriculum standards by the end of the school year.

Reporting on the Progress Report is about looking forward and setting a course for the learning journey ahead. Based on the evidence that teachers see, as well as what teachers know about learning at this grade level, the report communicates the path your child is on towards achieving the grade level expectations by the end of the year. The Progress Report does not include letter grades or percentage for academic subjects; it instead identifies whether your child is progressing very well, well or with difficulty. For subjects in which your child is Progressing with Difficulty, the teacher will discuss specific next step plans needed for success. We look forward to partnering with you and your child for a year of great learning and growth.

Congratulations to students who made some amazing accomplishments and reached personal bests this month!

Free Dental Screening Coming to Martha Cullimore on November 2nd

A Public Health registered dental hygienist is scheduled to visit our school November 2nd to provide dental screening to students in JK, SK, grades 2, 4, and 6 as required under the Health Protection and Promotion Act.

During this time the registered dental hygienist will perform a quick visual inspection of each child's teeth to determine his/her dental needs. Parents will be contacted if their child requires immediate dental care. The Healthy Smiles Ontario program may financially assist children who do not have access to required dental care.

Please contact the Public Health dental program if:

- You wish to exclude your child from dental screening
- Your child is not in one of the targeted grades and you would like him/her to participate

In addition to dental screening, ELKP students have an opportunity to receive an optional free fluoride varnish application if they have returned a signed consent form.

Call the Dental Health Line at 905-688-8248 or 1-888-505-6074 ext. 7399 or email dental@niagararegion.ca.

My Life Online: Teaching Kids to be Safe, Smart and Kind Online

My Life Online is a classroom presentation for students in Grades 4 to 6, with a focus on teaching kids to be safe, smart, and kind when using the internet and social media. The presentation highlights how kids can approach their lives online in a way that helps them create opportunities in school, life and future work opportunities. This presentation gives classroom teachers the perfect springboard for ongoing classroom conversations about cyber-bullying and inclusivity. This program has been created by Dave Anderson and Blake Fleischaker who have built an impressive team of facilitators to lead the workshops at our school.

Staying Healthy This Season

Although we usually encourage children to share, there is one thing that we'd prefer that doesn't get passed around this year - germs! While being back at school gives children more opportunity to interact with each other and play together, there are some simple steps we can all take to help each other avoid coughs, colds and more serious types of infections.

Wash those hands! We recommend that students, and even parents, wash their hands with soap and water regularly. If there isn't a sink nearby, using a good hand sanitizer should do the trick.

Cover all coughs and sneezes. This will cut down on the number of icky things floating around in the air and landing on surfaces, making it less likely that children will breathe them in or touch them. If you have to cough or sneeze, do it into a tissue or onto your upper sleeve.

If you're sick, stay home. Although it's important to be in class, don't be a superhero. Take some time, feel better and then come back when you're healthy, alert and ready to learn!

WHEN TO KEEP YOUR CHILD AT HOME

Please keep your child at home and away from others if he or she has any of these symptoms: fever, diarrhea, Vomiting, rash, frequent coughing or sneezing, yellow or green discharge from the nose, ears, or eyes, sore throat.

Contact your family doctor for advice about care and treatment. For more information, talk to your school nurse or go to www.niagararegion.ca/health

December Celebrations

We are looking forward to gathering together as a community in the month of December. Mark the following dates on your calendar:

Bring-A-Mug Hot Chocolate Social and Sing Along – December 13th

On December 13th at 6:00 to 7:30pm, families are invited to our **Bring-A-Mug Hot Chocolate Social and Sing Along**. Cozy up and wear your favourite holiday hats, scarves and mittens to our Carol Sing! Bring your family mugs to fill up on creamy hot chocolate and savour some tasty sugar cookies. Primary and junior students will perform specials and lead a carol so we can sing along! There will also be a bake sale on this night! Doors open at 6:00pm for the bake sale.

Holiday Bake Sale on December 13th

There will be a student bake sale during the school day and a community bake sale on the evening of the Hot Chocolate Social on December 13th.

During the day, students can purchase single-size treats to enjoy. Sale items will range from 50cents to \$2.00. There are always commercially packaged and labelled "nut-free" items available at the bake sale table as an alternative for students with allergies, along with surprise bags. Parents are also welcome to send in labelled baked goods from their own home for their children with allergies. These are recommended for students with allergies or anaphylaxis.

The community Holiday Bake Sale in the evening is a time when you can purchase some goodies for holiday get-togethers! Last year, the show of care and creativity at the holiday bake sale was show-stopping! Don't miss out. **Come in at 6:00pm and shop at the bake sale before the 6:30pm sing along.**

We encourage all parents to support this initiative by baking treats and sending them in on Tuesday, December 12th. Items requiring refrigeration can be dropped off before school on the 13th. If you bake, please let us know by returning the slip at the end of this newsletter as soon as possible. Thank you so much for your support!

Poinsettia and Plant Sale Pick Up on December 12th and 13th

We are offering poinsettias and Christmas plants again this year as a fundraiser. You will see a flyer come home soon. Orders and payment can be made through School Cash Online beginning November 6th and ending November 27th. Plants will be available for pick up at the school between 8:30am and 3:00pm on Tuesday, December 12th or on the night of the Hot Chocolate Social on December 13th.

The Little Mermaid: The Musical on December 15th

On Friday, December 15th, the students at Martha Cullimore (Grades 2 through 6) are invited to attend the performance of **"The Little Mermaid"** at the Scotiabank Convention Centre, in Niagara Falls. This is a wonderful opportunity for students to experience the performing arts at a local venue. The show begins at 10:30 a.m. and is approximately 135 minutes in length, including one intermission. See the permission form at School Cash Online as registration closes soon!

December 13th Bake Sale

While we cannot guarantee a nut free school environment, we work diligently to minimize risk to individuals with allergies. **We require that all baked goods coming into the school be baked without nuts or peanuts. However, we cannot guarantee that these baked goods are nut free or have been made in a nut-free environment.**

We encourage all parents to support this initiative by baking treats and sending them in on December 12th. If you bake, please send in this slip with your baked goods on the Tuesday before the sale (singles, 6 packs, or dozens). Thank you so much for your support!
